Don't forget to Sign In and Out!

It is CA State regulation that you must sign your child in when you arrive and out when you leave. It is necessary that you include a full legible signature and the time of day. Thank you for your cooperation.

Schedule Changes

STAR requires a two week written notice for all schedule changes. All schedule changes must be written on a Schedule Change Form located at each STAR Site.

Is your child going to be absent?

If your child is going to be absent from STAR for any reason on his/her scheduled day please call and let us know. The school office does not let us know when your child is absent from school.

Sports Gear...

All afternoon children will participate in sports activities everyday. We encourage children to wear stable shoes that will allow them to run in without causing discomfort or possible accidents.
